Listen guys. I know most of you are just concerned when you ask but some are just being a dick. Jeff Schoep has had nothing to do with the NSM since March. Whatever he is doing (making himself look like a cuck) has nothing to do with the NSM. Ppl leave and get kicked out of organizations all the time. This isn't much different than that. Commander Colucci has it under control and the NSM will carry on the fight for our race. Just cause one ex member loss there balls doesn't mean the rest has. Hail Victory and Hail the NSM!

I hear Jeff Schoep is now working with Piccolini and the SPLC.
He regrets his hateful ways and now wants to be a good little lap dog for Schlomo.
(This is not a shit stirring post btw)

This traitor is only playing the part assigned to him by the establishment, the aim of his jewish masters, after that he had played for years the role of the ignorant neo-nazi violent skin head just to give to the broader public a bad image of true national socialism and white identitarians, is to push white patriots to abandon the so called "extremism" to a more "acceptable" Kosher party which will endorse some republican scum like Trump or Tulsi Gabbard.

Just another Clown unmasked. (being clear that he unmasked himself in the moment that he endorsed Donald Trump, now the mask has been destroyed.)

My name is Jeff Schoep, the *former* commander of the National Socialist Movement (NSM). From 1994 until early 2019, I was the leader of the largest neo-Nazi organization in the United States. In early 2019, I retired from the NSM and
